Jefferson Memory Care
A happier life for everyone...

Administraton Corner

Jeremy Wiese, MHA
jwiese@jeffersonmemorycare.com

Jefferson Memory Care continues to excitingly hire and promote from within staff whom bring great knowledge, experience, and value to our facility and residents. We have recently promoted Heather Stachel to our Nutritional Services Coordinator position. Heather has been with us for quite some time now and has proven herself in the kitchen and has shown that she is capable to run our nutritional operations. We also promoted Jayden Robertson, a Resident Care Coordinator, to the Alpha Quad Resident Health Coordinator! We look forward to working with them and seeing what great things they can bring to the management team.

We have welcomed new friends to our facility and our current censes has exceeded fifty residents. We are also expecting some more friends to move in here within the next couple of weeks. As our family grows here we look forward to meeting new people and developing long lasting friendships.

-Jeremy Wiese & Tim Loesing,
Administration Team

SHINING STAR APRIL

Tammy Buchli, RCC3

Aprils' star employee of the month is Tammy. Tammy has been a faithful, hardworking, and dedicated employee for our community since we've opened! Through the ups and downs, you can always count on her and going above and beyond is a huge understatement. She helps in all departments without being asked and has a humour about her that just makes everything okay! She loves her beautiful kids and grandkids more than words can explain. Her love for animals ranks up there as well. We appreciate you so very much, Tammy! Keep shining bright and we are honored to have you here! Congrats, and a huge thank you for all you do!

Resident Health Services

This April we recognize Alcohol Awareness Month. In America, it is estimated that 1 in every 12 American adults abuse alcohol or are addicted to alcohol. Many of us are familiar with dementia but do not realize that heavy drinking is often a cause of dementia. This is referred to as alcohol induced dementia. If you are interested in learning more, you can visit www.alz.org.

Jefferson Memory Care would like to thank the volunteers at Rainbow Hospice Care who have spent quality time with our residents throughout the recent years. April 7th-13th is National Healthcare Volunteer Week, so to show our appreciation, we have made a donation to the volunteer program at Rainbow Hospice Care. One of the greatest gifts you can ever give is your time- and we appreciate that!

Love, Alex & Angie & Nicole (Resident Health Coordinators)

Enviromental Services,
Bruce Fuller, Enviornmental Services Coordinator

As spring is here officially, I will be working hard outdoors! Patio furniture, garden beds, and flower beds will be at the top of my to do list the next several weeks to make sure Courtyards and lawn is in tip-top shape.

We've also gotten some neat Solar lights for the Courtyards and front porch area for everyones enjoyment for the evenings and early mornings.

I will be having our windows being washed so if you see me outside your windows, please don't be alarmed!

RESIDENT OF THE MONTH

Our Resident of the Month for April is Nodra. Nodra is by far one of the sweetest ladies you could ever meet! She always has kind words for everyone no matter what's going on. She takes new friends under her wing and always makes them feel at home. She loves helping with activities and even holds her own evening Dice club each night and couldn't be more proud of the group that comes down to support her! We are truly lucky to have Nodra in our community! Thank you for choosing us!

Heather Stachel, Nutritional Services Coordinator

Heather Stachel has been promoted to the new Nutritional Services Coordinator! She is excited to bring new foods and recipes to the menu and to partner up with the Life Enrichment Department for some new and exciting activities!

She is a mom of two beautiful children, Sabe who is 4 and Adella who is 3. They keep her busy on her time off with fun activities and cooking/baking! They are all eager and excited to get outdoors now that winter is over!

Congrats, Heather!
