Jefferson Memory Care
A happier life for everyone...

Administraton Corner

Hello Friends,

We here at Jefferson Memory Care hope you have had a terrific July. This past month we had Jayden Robertson, one of our management team members, attend a first aid and choking train the trainer class. Jayden will be able to train the staff so that every employee will be able to achieve this certification here at Jefferson Memory Care.

Employees have been receiving their CBRF certifications, however, we are moving forward with having all certifications being able to be achieved in house as opposed to having staff sent to other locations for the training.

We have been continuing to welcome new faces to our care staff. They all look forward to getting to know your loved ones and giving them the loving care they need. We are also continuing to welcome new residents to our facility and we look forward to getting to know them as well.

August 21st is National Senior Citizens Day. On this holiday we recognize contributions senior citizens make in communities across the United States. Have a great August. If you have any questions feel free to contact us. 920-541-3520.

SHINING STAR AUGUST

Keith Bowling, Kitchen Aide

Augusts' star employee of the month is Keith Bowling! Keith is a faithful employee for several years now but we only get the pleasure of seeing him on his College breaks. He got a full ride scholarship to UW Milwaukee for his amazing track and field talents and is studying Forensic Science and wants to work for the FBI. He is outgoing, helpful, hilarious, and loveable! We all think of Keith as our little brother and all fight over him to come work in each department. He love sports, learning, hanging with friends, live concerts, and the Pine Cone restaurant. We all adore you Keith! Congrats, and a huge thank you for all you do!

Resident Health Services

August was first called Sextilis because it was the sixth month of the year. Later, January and February were added and it became the eighth month. At that time it only had 29 days. In 45 BC Julius Caesar created the Julian calendar and added two more days to the month. The month was later renamed to Augustus in honor of the first emperor of Rome Caesar Augustus.

August in Other Languages

Chinese (Mandarin) - bayuè

Danish - august

French - août

Italian - agosto

Latin - Augustus

Enviromental Services, Bruce Fuller, Enviornmental Services Coordinator

We have some new friends over at Jefferson Memory Care, welcome Mama duck and her 8 ducklings! She decided to fly into our Courtyard earlier this spring and hatch her eggs and have the babies right here! We are all having a blast watching them grow up, we even bought a big pool and bunch of different foods to make them happy!

RESIDENT OF THE
MONTH

Our Resident of the Month for August is Barb K. Barb has been with our community going on 2 years. She always has a smile on her face and a warm, inviting hug to give! She was a hard worker at Walmart for most of her life and absolutely adores her brother and friends. She enjoys music and having fun in the Bistro with all her friends! Chocolate and sweets are her favorite treat and musicals are her favorite kind of movies! We adore you Barb, thank you for choosing us!
