Jefferson Memory Care
A happier life for everyone...

Administraton Corner

Ana Hines, MBA

ahines@bluffviewmemorycare.com

Dear Family, Friends, and Residents,

As the holidays arrive, I'm reminded of how quickly time flies by. With Ericka's recent departure, we are excited to announce that we have completed our search for the Administrator position at Jefferson Memory Care. I'm honored to be the one to announce the arrival of the new Administrator, Jeremy Wiese. He has been welcomed by our team and will start training with us as of Monday, November 26th.

Jeremy is from Wisconsin and currently lives in Palmyra with his family. He completed his Bachelor's of Science Degree at UW Whitewater and received his Masters of Healthcare Administration Degree from Capella University. Jeremy previously worked as a CNA with his most recent work as a Disability Benefit Specialist through Waukesha County ADRC. As always, please do not hesitate to stop in to ask any questions of our management team or contact our Family Services Advisor at 715-797-6027.

We remain thankful for the opportunity to take care of you and your loved ones.

Warmest regards,

Ana Hines, MBA
Senior Administrator for Memory Care Partners
Management, LLC
And Management Team Jefferson Memory Care

SHINING STAR DECEMBER

Heather Stachel, Head Cook

Decembers' Star employee of the month is Heather Stachel. To say Heather takes what she knows and runs with it is an understatement! Heather has nearly perfected her role as a Head Cook and has recently signed up to work as an RCC as well! She helps out whenever needed and works hard with no matter what circumstances arise. Heather has two beautiful kids who come visit our residents and brighten up everyones days. We couldn't go on without you, Heather! Thank you for always making us feel special and taking "one for the team!" Congrats Heather, and a huge thank you for all you do!

The days are getting shorter and the air is getting colder, here at JMC we are preparing for the holidays! December is handwashing awareness month, a great time to remember that we can easily spread germs and viruses throughout the season of giving. When taking out your loved one or visiting, please feel free to access hand sanitizer throughout the building to prevent spreading illness and to help keep your holiday season festive! Handwashing can prevent 80% of germs and viruses commonly spread with contact, it is a simple and easy way for you to protect yourself and your family. Thank you for all of the care and love you provide to our residents and please have a wonderful holiday season!!

**Introducing our new Life
Enrichment Assistants! Please
welcome them to their new homes!**
Sam Prisk (LTC), Grace, & Sarah

Enviromental Services,
Bruce Fuller, Enviornmental Services Coordinator

Well in the month of December our primary goal is safety. We try hard to keep the salt outside on our sidewalks and driveway where it belongs, while keeping everyone toasty warm inside during these cold months. Here is an interesting fun fact that you might not have known. December was originally the tenth month of the year in the Roman calendar. It gets its name from the Latin word "decem" which means tenth. However, when the Romans added January and February to the calendar, it became the twelfth month. They still kept the name, though. A huge Merry Christmas and Seasons Greetings to everyone from the Environmental Department at JMC!

RESIDENT OF THE MONTH

Our Resident of the Month for December is Lois P. Lois is an amazing person, inside and out! She goes out of her way to make all residents feel like part of the JMC family without hesitation. She helps with parties, music, and any events we put on. She has an infectious laugh and smile that light up the room. She loves her family more than words can express. We are honored to have you here, Lois! We love having you with us! Congrats! Thank you for all you do!

Notes From Dietary

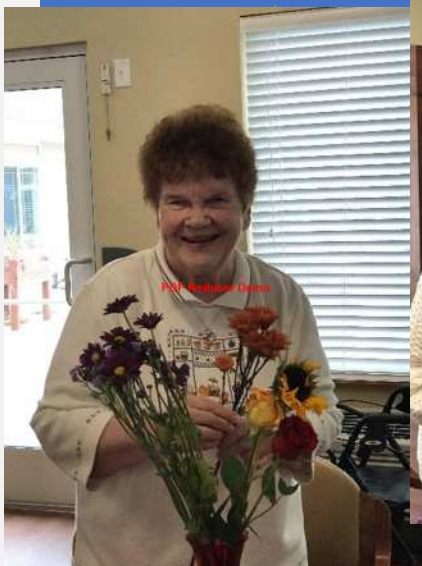

Shareen Kinateder, Nutritional Services Coordinator

Holiday Cheer!

Our Thanksgiving feast was thoroughly enjoyed by all! The residents made centerpieces with the last flowers of fall... Now it's time for enjoying holidays with our special friends, Who don't always remember us, but so happy to see us again! We will have cookies, and singing, and trees sparkling with light! At the end of the day, in the quiet we will say....

“MERRY CHRISTMAS TO ALL, and TO ALL A GOOD NIGHT!”

Christmas Blessings from Nutritional Services!
