*Jefferson Memory Care*  
A happier life for everyone...

## Administraton Corner

Jeremy Wiese, MHA  
jwiese@jeffersonmemorycare.com

As we journey through this blistering cold winter we continue to keep our residents safe and warm by continuing to provide the loving care that they and their families have come to expect from the staff here at Jefferson Memory Care.

Katie, a familiar and friendly face, has served Jefferson Memory Care at our front desk. However, she has recently moved on and we wish her the very best. We look forward to hiring and working with a new administrative assistant.

Any questions or concerns, please feel free to stop in or give us a call (920) 541-3520.

-Jefferson Memory Care Administration

### SHINING STAR FEBRUARY

#### Celestina Orona, NS Aide

Februarys' star employee of the month is Cele Orona. Cele has been a faithful and amazing employee for our community for over 2 years now. You can always count on Cele to lift spirits and go above and beyond in so many ways! She always greets the residents each meal with, "Hey Everybody!" and light up their faces. She often shows staff and residents pictures of her adorable granddaughter, Ava, and you can see the pure love and joy when doing so. She shows the most pride in her work as well! We couldn't hold down the fort without ya Cel! Congrats, and a huge thank you for all you do!

## Resident Health Services

Times have changed! Take a look at some amazing Nursing school education, receipts, and notes from 1947! Heather Stachel, one of our RCC3's, grandmother Mabel kept this and Heather was kind enough to come show everybody.

### Notes From The Resident Health Coordinators

We are sad to say goodbye to Tabitha, our former RN, but wish her well on her new adventures! We are currently interviewing some great candidates for her position and will keep everyone in the loop as we make a decision!

We are still reminding everyone to wash their hands, sanitize surfaces, and keep hydrating themselves as the cold and flu season is still in full swing.

Please let us know if you are having any questions/concerns/comments on your loved ones health in place of Tabitha, we will be very busy the next couple weeks until we find a replacement but will always make time to help in anyway!

Thank you for your patience!

### Enviromental Services, Bruce Fuller, Enviornmental Services Coordinator

With the bitter coldness of this past month and the upcoming, I'm working hard to make sure everything is up and running! We are making sure that pipes are working, heaters are working, and hot water is flowing with these record low tempatures.

Just a helpful hint to prevent water pipes from freezing and/or bursting- let your hot water slowly drip and leaving cupboard doors open when able to when tempatures are below freezing.

Also to make sure you check your cars battery and try to have your gas tank as full as possible at all times with a can of Heet can help prevent your car from not starting up!

Stay warm everybody!

RESIDENT OF THE MONTH

Our Resident of the Month for February is Linda N. Linda is as outgoing and fun as they come! She loves to dance and show us her moves! If you can't find Linda doing her exercise laps in the halls, you can find her shaking her tailfeather to the music in the Bistro. Linda befriends every new resident that comes to Jefferson Memory Care with open arms and enjoys taking them under her loving wing! Thank you Linda for always being a smiling face! Thank you for choosing us!

Notes From Dietary  
Shareen Kinateder, Nutritional Services Coordinator

February brings us cold days and warm soup! It also is valentine's Day soon! You can look forward to heart shaped cookies and pretty cupcakes being served for dessert! Here's a valentine from the good old days!
