Jefferson Memory Care
A happier life for everyone...

Administration Corner

Jeremy Wiese, MHA
jwiese@jeffersonmemorycare.com

Hello Friends,

The Jefferson Memory Care family hope you have had a wonderful December, and a very Merry Christmas. During December the staff received training on UTI's and prevention of UTI's along with proper repositioning, and medication administration. Our residents each have specific care requirements and we will continue to strive to give each resident the proper care that they require.

In January, Jefferson memory care will begin giving Dementia Live training to all the staff.

Furthermore, we will start to offer this class to members of the community, both in house and in the community.

January will be the last Newsletter for a few months, as Samantha Prisk our Life Enrichment Coordinator will be on maternity leave. Grace Wellnitz will be helping to run our LE department during this time. Sam will be returning to us, around the middle of April, and hopefully will be bringing her new bundle of joy around occasionally too.

From our Jefferson Memory Care family to yours, we hope you have a safe New year's, and a wonderful year coming up. If you have any questions, feel free to contact us. 920-541-3520.

SHINING STAR JANUARY

January's star employee of the month is Tabby. Tabby has only been with JMC a short time but her encouraging attitude and tremendous smile makes us think longer! She picks up when needed and goes the extra mile with each and every loving resident to make sure they're all cared for. She has a feisty spirit that keeps the energy going in our community as well. If you see Tabby in the hall, make sure to thank her for all she does for each and every staff member, resident, and families! Congrats to you Tabby, and a huge thank you for all you do!

Resident Health Services

We are excited to move forward into the New Year here at Jefferson Memory Care! Our Compliance Nurse Cassie will be providing some in service trainings to refresh our staff on safe transfers, proper personal care, and some more complex care such as catheter care and ostomy care. We will be inviting some of the care staff as well back into the office to see what goes on “behind the scenes”. We hope this can help strengthen our relationship as a team as well as give them more knowledge regarding proper protocol and increase their self-confidence in their own decision making. Recently our team of administrators, Jeremy Wiese and Tim Loesing, have been certified in a Dementia Simulation course. This will allow them to teach simulation classes for our staff or family members to experience the world as someone who has dementia. We look forward to incorporating this into our regular training practices.

We hope everyone has a wonderful New Year!

-With Love, Alex, Angie, Nicole, & Jayden (Resident Health Coordinators)

*Welcome,
New
Residents!*

- Shirley
- Lance

Enviromental Services, Bruce Fuller, Enviornmental Services Coordinator

We would like wish everyone a happy new year and remember to keep up your new years resolutions for 2020! Crazy to think we're now starting a whole new decade!

Please let us know if you or your loved one has any needs as far as their room, our building, and/or any other personal needs that can help you start of your new years in the right direction.

Thank you all for a great 2019 and we look forward to doing it all again this upcoming year!

RESIDENT OF THE
MONTH

Our Resident of the Month for January is Lorraine. Lorraine has been with our community for about half a year and we couldn't imagine the place without her! She has a spunk about her that lights up the room everywhere she goes. She has hilarious one-liners that will leave you speechless and always catches you off guard (in a great way!). Lorraine loves music and animals just as much as her own family. We adore you, Lorraine! Thank you for choosing us!

Heather Stachel, Nutritional Services Coordinator

May the new year bring you an abundance of Amazing opportunities, beautiful moments, and joyful experiences.

May your positive actions and attitude inspire others. May you be brave enough to take on and overcome rewarding challenges.

May you find yourself in high spirits and excellent health. May you love with all your heart and find peace in even the most turbulent of times.

May the love you give always find its way back to you multiplied.

May you forever be filled with hope and strength necessary to make your dreams a reality.

Wishing you a very safe and happy new year

-JMC Kitchen
