Jefferson Memory Care
A happier life for everyone...

Administration Corner

Jeremy Wiese, MHA
jwiese@jeffersonmemorycare.com

Hello Everyone,

We here at Jefferson Memory Care hope you have had a great October and a Spooky Halloween. This past month the staff received a refresher course on standard precautions. Also, in the next few months, the administration team will begin dementia live training both to staff, and out in the community. Finally, an update on the Flu clinic, as many of you have signed your loved one up for a flu vaccine, the Flu clinic will be taking place later this month, it was delayed as they needed to re-work the vaccine.

We have been continuing to welcome new friends to our caring crew, please say Hi, if you see a new face. They all look forward to getting to know your loved ones and giving them the care and loving attention they deserve. We are also continuing to welcome new residents to our home and we are eager to get to know them as well.

November 28th is Thanksgiving, we hope you all have a wonderful beginning to the holiday season. We Hope you all have a great November, and winter doesn't start too early. If you have any questions feel free to contact us.

920-541-3520.

SHINING STAR NOVEMBER

Corrissa, RCC3

Novembers' star employee of the month is Corrissa Janke. Corrissa has been with our community (brief leave of absence) for almost 3 years from RCC3 to RHC positions. She truly loves her residents and takes anything she does seriously and with professionalism. She loves her kids and her grand baby so very much and loves talking of them with a huge smile on her face. Corrissa goes above and beyond to help with the schedule, facility issues, and overall wellness of residents as well as staff. She's truly irreplaceable! Congrats to you Corrissa, and a huge thank you for all you do!

Resident Health Services

November is National Hospice and Palliative Care Month. Jefferson Memory Care would like to recognize Rainbow Hospice and Palliative Care for all their hard work and dedication to our residents under their services. Rainbow provides quarterly trainings and in-services for our staff to keep us up to date and informed to ensure that we are providing the best care.

Founded in 1978, the National Hospice and Palliative Care Organization is the largest membership organization for providers and professionals who care for people affected by serious and life-limiting illness. The mission of the NHPCO is to lead and mobilize social change for improved care at the end of life. Their vision is that a world where individuals and families facing serious illness, death, and grief will experience the best that humankind can offer.

-With Love, Alex, Angie, Nicole, & Jayden (Resident Health Coordinators)

*Welcome,
New
Residents!*

Enviromental Services, Bruce Fuller, Enviornmental Services Coordinator

November was the ninth month of the ancient Roman calendar and has retained its name from the Latin novem, meaning "nine".

Although the month of November is the last full month of autumn in the northern hemisphere, many parts of the country are beginning to experience colder temperatures and even snow during this month. The days grow shorter now, especially once most of the U.S. "falls forward" by one hour, exiting Daylight Saving Time on the second Sunday of November.

- November is the start of the holiday season and here is a little related to the holidays we celebrate in November.
- All Saints Day is a Christian festival held on November 1 that celebrates the lives of all saints, known and unknown. In Mexico and throughout many Hispanic communities in the U.S., November 1 is also known as the Day of the Dead, a time for families to remember and honor loved ones who have passed away. All Soul's Day, in which Christians essentially do the same, is celebrated the following day, November 2.
- Veteran's Day, when we honor those who have served in the United States Armed Forces, falls annually on November 11. It also coincides with Armistice Day and Remembrance Day, which mark the end of World War I.

RESIDENT OF THE MONTH

Our Resident of the Month for November is John Y. John was a Pharmacist, Family Practice Osteopathic Physician for his careers and always talked of his love for working. His loving wife, Beverly, and him had been married almost 50 years and were a showing of true love. John had a hilarious smile and always had kind words to spread around the community. He made all our days when times got tough and we will have a hard time without him. Thank you for choosing us!

Heather Stachel, Nutritional Services Coordinator 10 ways to stay healthy during cold and flu season:

1. Wash you hands frequently, especially after blowing your nose, coughing, sneezing, and eating.
2. Avoid sharing objects
3. Avoid touching your nose, mouth, and eyes.
4. Get enough sleep and avoid getting "run down".
5. Reduce stress.
6. Use tissues for coughs and sneezes and dispose of them immediately and appropriately.
7. Eat right and get regular exercise.
8. Avoid crowds and keep your distance from people whom you know are ill.
9. If you are sick, avoid contact with the frail, young, and elderly.
10. If you are sick, stay home from work or school!
