Jefferson Memory Care

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Jefferson Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the Resident's personal dignity is the cornerstone of providing care.

Notes from Dietary

Greetings from the dining services staff at Jefferson memory care. We're all excited for the summer months, bringing parties, grill food and lots of warm weather! We will also be serving more fresh fruits and vegetables as they come in season. We are here to do the best for all our residents and their families. Enjoy the sun, the birds and the food!

Environmental Services

JMC Environmental Services Coordinator, Dennis Wellnitz, has been busy setting up patio furniture in our courtyards so residents and visitors alike can take advantage of the warm, summer weather. Dennis has also built several raised gardens in the courtyards to keep our nature club busy planting, weeding and eventually harvesting the fresh vegetables. As always, please let Dennis or Maria know if they can be of assistance in any way.
