Hello Friends,

The staff here at Jefferson Memory Care hope you have had a wonderful May and like the rest of us, are looking forward to the upcoming summer. This month we have had two members of our management team attend the Alzheimer’s State Conference in Wisconsin Dells. We are eagerly awaiting to learn the new knowledge they received to better understand this disease. We are excited to equip the new tools of which they are bringing back to more effectively care for those individuals whom suffer from Alzheimer’s and overall Dementia related issues.

We have been continuing to welcome new faces to our care staff. They all look forward to getting to know your loved ones and giving them the loving care they need. We are also continuing to welcome new residents to our facility and we look forward to getting to know them as well.

Have a terrific Father’s day and an enjoyable June. If you have any questions feel free to contact us. 920-541-3520.

SHINING STAR JUNE

Grandma Bev, Nutritional Services

Junes’ star employee of the month is Bev, also know as “Grandma”. Bev has been with our community almost 3 years now, starting as a Resident Care Coordinator and finally finding her home in the Kitchen. She is deciated, kind, compassionate, and down right hilarious. She gets to know all new residents and staff members on a more personal level and treats everyone as if they were here own family. Kind hearted to the max! We appreciate you Grandma for all you have done and continue to do on a daily basis! Please give Bev a shout out and thank you when you see her next! Congrats, and a huge thank you for all you do!

Resident Health Services

June is Alzheimer's and Brain Awareness Month! Help us raise awareness by purchasing some Alzheimer's apparel or other accessories that will be available at the front desk. We are expecting the delivery to arrive within the first week of June. All funds raised this month from donations or apparel purchases will be donated back to the Alzheimer's Association.

If you or someone you know needs extra support during this time of loving someone with dementia, there are local support groups in our area you could attend. If you want to check one out, there will be one on June 17th from 6:30PM-8:00PM in Fort Atkinson at Reflections Adult Day Center. The address is 511 Madison Avenue, Fort Atkinson, WI 53538. There is another support group held on June 26th from 4:00PM-5:30PM in Watertown at the public library. The address is 100 S. Water Street, Watertown, WI 53094. For more groups or cancellations, visit www.alz.org.

We honored our Veterans here at Jefferson Memory Care in the Month Of May. A few residents and a few staff members have served our county overseas and we thank them all very much!

Below is a picture of a Rainbow Hospice Social Worker, American Legion Veteran, and a family honoring two brothers, Don, whom lives within our Community and his Brother as well.

God Bless all those who serve our Country!

RESIDENT OF THE MONTH

Our Resident of the Month for June Wally S. Wally is one hilarious man with the jokes and stories to go along! He has a wild side and enjoys Harley Davidson Bikes. Wally loves being a jokester and will always be sure to put a smile on your face. He was a faithful and loving husband for 60 years to his late wife, Marilyn and treated her like a queen to say the least! Next time you see him, tell him congrats! We are honored to have Wally with us! We adore you, thank you for choosing us!

Heather Stachel, Nutritional Services Coordinator

Finally! Cook-out season and sunshine has arrived! After what seems like an eternity for even us Wisconsinites, Spring has sprung! We have big plans of grilling out, old fashioned style with the warm weather here.

We have hired some great new team members to the Nutritional Services Department that I'm happy to announce and get all trained in. We've switched up some of the menu items and are eager to start implementing them into our Menus.

And of course, more Ice Cream treats on the way!
