A happier life for everyone...

Administraton Corner

Jeremy Wiese, MHA
jwiese@jeffersonmemorycare.com

With the beginning of March, we are all looking forward to some spring weather. Last month residents celebrated Valentine’s day. This month residents will celebrate St. Patty’s day on March 15th. Also please remember to spring ahead on the 10th as daylight savings time begins.

This month we will be welcoming our new customer service representative Shelly Novakovich. She has worked at Walgreens, St. Colleta’s, and Azura. Her first day will be March 11th, make sure to welcome Shelly.

Many of you will also be seeing Tammy from Bluffview (our sister company) here to help with Nutritional Services, while we are in the processes of finding a new Nutritional Services Coordinator. She has already made some great changes, including new menu items that the residents have been vary happy with. She has also ordered new dinnerware sets, that should be in soon.

As always if you have any problems or concerns please stop by and talk with Jeremy or Tim. Or give us a call 920-541-3520. Sincerely

Jeremy Wiese, Administrator

SHINING STAR MARCH

Jayden Robertson, RCC3

March’s star employee of the month is Jayden. Jayden has been on the management side and care staff side of our community for nearly 2 years! Her smile and energy is contagious and lights up any room she walks in! Hard working and dedicated to giving each and every resident the care and affection they deserve is always on the top of her priorities. Jayden is only 20 and just paid off her car loan and moved into her first apartment, and we all couldn’t be more proud of her! We want to thank you Jayden, you’re truly a huge help! Congrats, and a huge thank you for all you do!

RESIDENT OF THE MONTH

Our Resident of the Month for March is Vickie M. Vickie has been with our loving community for almost two years now. She loves going out with her daughter and telling us all the funny stories when she returns home. She loves nature, music, and has the neatest collection of windchimes you can look at and hear during the warmer months. She loves her family more than life itself and we couldn't agree more! Make sure to say congrats to Vickie next time you see her! Thank you for choosing us!

Environmental Services, Bruce Fuller, Environmental Services Coordinator
