Jefferson Memory Care  
A happier life for everyone...

## Administraton Corner

Jeremy Wiese, MHA

[jwiese@jeffersonmemorycare.com](mailto:jwiese@jeffersonmemorycare.com)

We hope you have all had a great April, and a taste of the warm weather. As many of you are aware Jefferson Memory Care no longer has a nurse, because of this fact the four resident health coordinators have taken over the nursing department and will continue to head that department. Your family and loved ones will still be getting all the care that they need. Any health problems that you may notice with your family members please let their resident health coordinator know.

This month our life enrichment coordinator has set up a free Mother's Day photo shoot. This will take place Saturday, May 11th your family will receive one free copy of the photograph. Furthermore, Jefferson Memory Care has started a small dementia library, this is located up front by the customer service desk. We will be adding books for the next few months. Please feel free to use these books to better understand your loved one's struggles.

We hope you all have a wonderful Mother's day, and a great May. As always, any problems or concerns please feel free to contact us. 920-541-3520.

Team

### SHINING STAR MAY

#### Mary Moulding, RCC3

Mays' star employee of the month is Mary Moulding. To say the least, Mary has been a huge help and trustful employee for over 2 years now. Mary goes out of her way to connect with residents and fellow staff members and lends kind words quite frequently. Mary has two beautiful daughters and a loving husband. She has lived overseas and is well traveled with hilarious stories to always tell! She is quite musically talented as well, her daughters and her even put on a Phantom of the Opera play for all the residents on her own free time! She's truly one of a kind! Congrats, and a huge thank you for all you do!

## Resident Health Services

\* The name of this month is derived from Maia, the Roman goddess of growth. Maia is also one of the brightest stars in the Pleiades, in the Taurus constellation

\* The zodiac signs for May are Taurus and Gemini.

\* The birthstone associated with this month is the Emerald, which signifies rebirth, youth and is thought to grant the wearer foresight. This rare and highly precious stone is mined primarily in Afghanistan, Brazil, Colombia and Zambia.

\* Lily of the Valley is the traditional flower for this month, a symbol of sweetness.

May is the last but often considered the brightest month of the spring season. There are always reasons to celebrate; special holidays include Mother's Day on May 10, and Memorial Day, on the last Monday of the month. So we hope you enjoy this month along with all your loved ones, near and far.

**Love, Alex & Angie & Nicole & Jayden (Resident Health Coordinators)**

### Enviromental Services, Bruce Fuller, Enviromental Services Coordinator

May is the last but often considered the brightest month of the spring season. There are always reasons to celebrate; special holidays include Mother's Day on May 10, and Memorial Day, on the last Monday of the month. So we hope you enjoy this month along with all your loved ones, near and far.

Environmental Services is happy to introduce an addition to our team. Arianna will be joining the effort to make sure we are always keeping your home clean and safe.

We are also working on bringing our courtyards back to their summer glory! In addition we are adding a water feature in each courtyard. There are many fun and beautiful days on the horizon for the month of May.

## RESIDENT OF THE MONTH

Our Resident of the Month for May is Jean H. Jean has been one of the stars here at Jefferson Memory Care for a little over two years now. She adores animals and children, especially babies! She will be the first one in line to see any babies or pet therapy group. Besides her infectious smile and laughs, you can find her holding down the fort in A-Quad living room most days making sure everyone's happy and working! We adore you Jean, thank you for choosing us!
