Resident of the Month

Lilla Breyer

The Resident of the Month for May is Lilla Bryer. Lilla enjoys music, games, trivia, reading and visiting with friends.

Shining Star Award Maria Rocha

The JMC Shining Star for April was Housekeeper Maria Rocha. Maria was chosen for the outstanding effort she has put forth to keep our building beautiful. Maria has also been a great team player, willing to work longer hours as we search for a new ESC. Even on the toughest days, Maria always has a smile on her face and willing to lend a hand to staff and residents alike. Please Congratulate Maria on being an EXCELENT employee!

In the JMC Bistro

**Family, Friends and the
Community are Welcome to
Attend**

Administration Corner

May brings big things for Jefferson Memory Care!
First of all the weather is getting warmer, the birds are all coming back and soon our courtyards will be full of flowers. Feel free to put flowers and bird feeders outside of your loved ones rooms!

For those of you who don't know national nursing week is in May. We are very fortunate at JMC to have an extremely devoted nurse on our staff that truly cares for each of her patients. We couldn't be luckier. If you see Rachel make sure to thank her!

I would like to thank all of the family members and residents at JMC that have filled this once empty building with a sense of love and community. It fills me with joy to hear family members chatting like old friends and residents bonding with other residents and staff members alike. It is exactly what a supportive memory care facility should look like and I thank you all for being part of that.

As always, my door is open to any and all of you.
Your Friendly Neighborhood Administrator,
Hillary

Notes From Resident Health Services

Notes from Resident Health Services

With the warming weather approaching, it is time to start thinking about sunscreen. The sun's damaging UV rays can harm the skin in as little as 15 minutes. It is important to put on sunscreen before going outside. You will need to reapply sunscreen after two hours if you are swimming or sweating. Applying sunscreen will not only protect you from skin cancer, but also protect you from painful sun burns.

Rachel Westermeyer, RN

In the JMC Bistro

Family, Friends and the Community are Welcome to Attend

Notes from Dietary

Greetings from the dining services staff at Jefferson memory care. We're all anxiously waiting for spring to come, bringing grill food and lots of warm weather! Serving the best food possible is our goal. Sometimes this brings challenges in memory care. If we involve residents in the daily planning, it makes a big difference to them. We are here to do the best for all our residents and their families. Enjoy the sun, the birds and the food!

Environmental Services

Please help to welcome our new JMC Environmental Services Coordinator, Dennis Wellnitz. Dennis comes from Whitewater, WI, where he ran a dairy farm for over 20 years. Dennis and his wife have two daughters, Katie and Janie along with twin granddaughters, Maddie and Ebie. In his spare time, Dennis enjoys home remodeling and helping out his friends on the farm. Please let Dennis know if he can be of assistance in any way.
