

Jefferson Memory Care

“A happier life for everyone”

Nov/Dec 2016

Jefferson Memory Care

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Jefferson Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the Resident's personal dignity is the cornerstone of providing care.

Halloween Fun!

Resident of the Month

David Mass

David was born and raised in Watertown WI. He is very social and enjoys spending time with friends and family. David loves the outdoors, going for walks and even flying kites. He also enjoys a little “friendly competition” and is always ready for a game of bowling, or a round of horseshoes with his peers. Please Congratulations David on being the Resident of the Month!

Shining Star Award Rebekah Kellogg

It is long overdue that we award this month’s Shining Star to Rebekah Kellogg. Rebekah has been a dedicated employee from the day we opened JMC, and even before. Rebekah was our first employee, and helped everyone who followed to get on-board. Her customer service skills are exceptional. Rebekah’s warm smile and friendly demeanor are always present to welcome guests, answer questions and provide information to all. Please congratulate Rebekah on being the November Shining Star!

JMC Family Christmas Party:

Featuring Music by Bill Webb
and a visit from
“Santa Claus”

Friday, Dec 23
1:30pm

Administration Corner

Hello! I'm excited to join the Jefferson Memory Care team as the new Administrator!

I have lived most of my life in Mount Horeb, WI. I have recently graduated from Brigham Young University - Idaho with a Bachelor's Degree in Healthcare Administration, and hope to eventually complete a Master's degree program in Business Administration. Professionally, have spent the last 6 years working with the elderly, not only on the administrative side, but from a caregiver perspective as well.

A few of my interests include traveling (I've backpacked in Italy and Costa Rica), playing piano and viola, reading, and playing board games. I am also a competitive bowler! I love learning new languages and practicing them whenever I can! I also love volunteering - I currently volunteer at my church as a Sunday school teacher for children.

I have three cats, Cadderly, Woodie, and Norman. My husband Hans and were married for two years on October 18th. I have one sister, Theresa, who is one year younger than me and also one of my best friends!

I look forward to working with and getting to know all of you!

Noelle Wiebusch, Administrator

Notes from Resident Health Services....

As winter is upon us, make sure your loved one has all the winter gear to keep them warm inside and outside. For outside - Gloves, Hat, Winter Coat, Boots. For inside, warm clothes such as sweaters, warm socks, slippers, robes, warm pajamas.

In Remembrance.....

- ❖ Rose Behling
- ❖ Margo Swaningson
- ❖ Irene Mussotter

Elvis Christmas Show

Friday, Dec 16th, 2016

Families, Friends and Staff are welcome to attend

Notes from Dietary

Starting sometime in October the Nutritional Services Department will be transitioning to the Memory Care Corporate four week menu cycle. The new menu will allow for consistency in all the food items our cooks prepare. There are a variety of new items on the menu that we have not prepared and served before so it will take some time to discover what people like and don't like. The menu can be adjusted accordingly.

Also, the new menu will be structured nearly the same as the old menu in that we will have a full Breakfast, hearty Lunch and lighter Dinner.

We think this changes will be both exciting and fun. The Nutrition Services Staff hope everyone will find the changes exciting too. We will continue to prepare certain "favorite items" from the old menu because we know some of the old menu items just can't go away.

The Nutrition Services Department will keep everyone informed about the progress we are making and the actual start date for the new menu. -Candy Olson, Nutritional Services Coordinator

Environmental Services

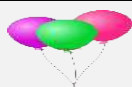

JMC Environmental Services Coordinator, Dennis Wellnitz, has been busy preparing for fall by washing windows, inside and out. Dennis is also getting our building ready for the heating season by checking and cleaning all the wall units and vents. Denis is also looking forward to decorating for the holidays, and adding some outdoor decorations to bring holiday cheer to all. Please let Dennis or Maria know if they can be of assistance in any way.
