Jefferson Memory Care
A happier life for everyone...

Administraton Corner

Ericka Goerlitz, MHCA
egoerlitz@jeffersonmemorycare.com

Greetings from Administration! As you all know, Ericka our administrator's last day was 10/31/18. We are so sad that she is gone, and we wish her the best in here future endeavors. It's hard to believe that spring and summer have come and gone, and that fall is upon us once again! For many, this is their favorite time of year, and we make sure to take advantage of the cooler days and pleasant nights at our facility.

Join us any time for some warm cider and friendly company here at Jefferson Memory Care! Well, the holidays are creeping up on us already, let's remember that November is known to be the month of being thankful. Here at Jefferson Memory Care, we are so thankful to have such amazing residents and staff. We also will be having a resident thanksgiving here at Jefferson Memory Care.

You are welcome to come and join your love ones on this special day. You are also welcome to have your own private holiday party at our facility with your loved ones. Just reserve a room with Sam Prisk our activity coordinator. I hope you all have a wonderful November and holiday season!

Yours in Service,

Valentino Matlock, BS, CHFA
Assistant Administrator

SHINING STAR OCTOBER

Barb Hess, Housekeeping

Novembers' Star employee of the month is Barb Hess. Barb has made such an impact on our community in the short period of time she's been here! To say a team player, go-getter, and hard worker would be an understatement! She jumps into any department to help, without even having to be asked. She makes an effort to get to know each resident, family member, and coworker and connect with them. Barb loves Harleys, sunshine, and is a southern bell at heart! We couldn't ask for a better person to be a part of our amazing team! Congrats Barb, and a huge thank you for all you do! We wish you a happy retirement! You deserve it!

Our October flu clinic was successful and went well with residents receiving the vaccinations for the 2018-2019 flu season. We highly encourage all family members to protect themselves and their loved one by receiving their vaccination as well. With the weather getting colder as the fall season progresses, we also are encouraging families to switch out or provide warmer clothing for our residents in the event that they need to leave the building for a family event or an appointment. Hats, gloves, scarves and warm winter coats are recommended/preferred. Please also remember that frequent handwashing while out in the community helps protect our community from any viral illnesses that may be out in the community and thank you in advance for your efforts!

Enviromental Services,
Bruce Fuller, Enviornmental Services Coordinator

After the Pig Roast Party is all said and done, now is the time I'll be putting away the warm season furniture and storing for the next season. I have huge plans for Christmas décor this year! I plan on looking into neat holiday lights in the courtyards as well to add to the theme so all residents and families can walk by and enjoy! I will also be in the search for a new housekeeper as our beloved Barb is retiring, someone will have some huge shoes to fill after her. But we wish her the best and she deserves it!

**THANK YOU ERICKA FOR ALL
YOU'VE DONE AT YOUR TIME
WITH JEFFERSON MEMORY
CARE! WE WILL MISS YOU
GREATLY AND WISH YOU WELL
ON YOUR NEW ADVENTURES!
-JMC STAFF**

RESIDENT OF THE MONTH

Our Resident of the Month for November is Shirley E. Shirley has been a great addition to our facility for over 2 years now. She enjoys listening to all types of music and watching entertainers! She has an infectious smile that you can't help but to catch when spending time with her. She's always been a huge family lover, especially when Holiday season comes around. Shirley would do anything for a sweet treat, so make sure to give her some chocolate next time you see her! We love having you with us! Congrats!

Notes From Dietary Shareen Kinateder, Nutritional Services Coordinator
