“A happier life for everyone”

Sep/Oct 2016

## Jefferson Memory Care

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Jefferson Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the Resident's personal dignity is the cornerstone of providing care.

## Resident of the Month

### Sharon Rux-Waldeck

Sharon loved horses and demonstrated a talent for riding. She was known to adopt stray dogs, cats and even an occasional raccoon! Sharon enjoyed classical music, collected books and was an expert gardener. She fed birds and could recognize most by both sight and sound. Sharon saved turtles that were crossing the road, because someone had to. Best of all, Sharon loved to explore country roads with her Russian Wolf Hound, Tara and share the locations with her husband Lee.

### Shining Star Award Michelle Holman

The JMC Shining Star for the month is Michelle Holman DA. Michelle was chosen for her exceptional kind and considerate demeanor with our residents. She also works well with her kitchen team and the care staff. Michelle comes to work with a smile on her face and is always willing to do extra projects when asked. Please Congratulate Michelle on being an EXCELENT employee!

Fall is finally here!! We are so excited for the cooler weather and the changing leaves. This summer Hillary has been on maternity caring for her new baby boy. While she has enjoyed this time with her little one, she is eager to return to work in October. In the meantime, please don't hesitate to reach out to any of our Resident Health Coordinators (Amanda, Marcie and Alex), our Registered Nurse Rachel., or our Customer Service Representative Rebekah. They are all more than willing to help you with whatever needs you may have in Hillary's absence!

## Notes from Dietary

Greetings from the dining services staff at Jefferson memory care. We're all excited for the fall months, bringing cooler weather! We will also be starting our fall menus and serving more fresh vegetables as they come in season. We are here to do the best for all our residents and their families. Enjoy the fall colors, the birds and the food!

## Environmental Services

JMC Environmental Services Coordinator, Dennis Wellnitz, has been busy keeping the building and courtyards, and would like to thank everyone who has helped keep up with all the weeding and watering. Dennis is also getting our building ready for fall by cleaning windows and carpets along with doing preventive maintenance on all the wall heating units. As always, please let Dennis or Maria know if they can be of assistance in any way.
